
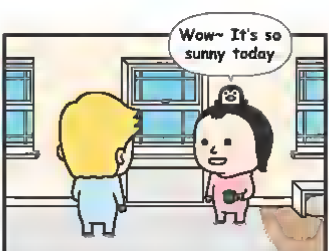
This kind of weather makes me wont to go out so much.

My life style has changed becouse unlike Englond, Koreo hos lots of sunny, warm and hot days.

many things about me
have changed



One of them is ..

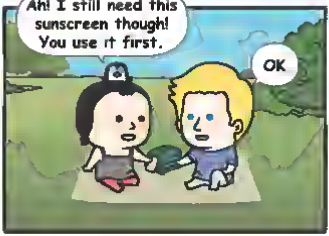
It's all done! You don't need to worry about your back any more!
....

It's my turn now
I'll rub your back
for you

It's my
pleasure!
Thank
you~~



One thing that hasn't changed is that I use sunscreen when I'm out

Applying sunscreen for each other in harmony is nice.

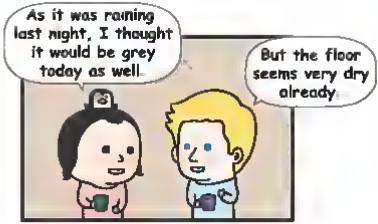
But now I don't mind that I get tanned and really love having hot sunshine on my body while sitting or lying on the grass.



...that I truly appreciate the weather when it is very nice.

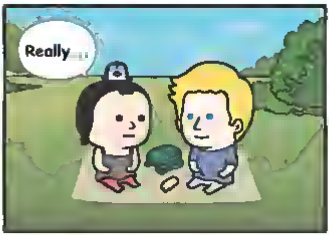
A Hot Sunny Day

I've lived in England for
2 years and during that time,

Also we can share a love message while applying the cream with the end of fingertips.



It's been awhile...
